Cocoa, Quetzalcoatl's Gift

The contestants must use the equipment carefully and repair any damage they might cause. For example if a wire of the guitar snaps, the contestant has to repair it before returning to his/her work space.

The contestants must bring any other necessary **small equipment** (e.g. balance, bowls, whisks, spoons, knives, spray gun, compressor). For your own convenience, please label all your personal equipment with your name.

All electricity in Europe is type E, 220 V, 1 multiplug (3 sockets) is provided by the Organising Committee.

Type of plugs which will be provided for each contestant:

If you need **adaptors** for your own electrical equipment, please **bring them with you**. Each contestant will have a personal electricity box in his/her work box on which 6 KW is available (in case needed) for the contestant.

For all tastings sessions, the plates & cutlery from the Organising Committee must be used, except for the dessert (see point 3.4 in rules).

For the **dessert**, each **contestant must bring the necessary plates & serving material**.

He/she can either use the cutlery from the Organisation or bring his/her personal preference.
