ITALIAN CHOCOLATE MASTERS CHAMPIONSHIP

The Italian Chocolate Masters Championship, the most prestigious competition dedicated to the creative use of chocolate in all its forms, returns to SIGEP 2011.

The theme of the competition, which will inspire all the scheduled disciplines, will be **"Cocoa: A Gift from the God Quetzalcoatl"**. All the challengers will compete to the very last stroke of the spatula, creating an artistic piece made entirely of chocolate (completely without supports), two types of pralines, a cake and a single course made of chocolate and finally the captivating *mystery dessert*, made with ingredients unknown to the contestants until the last minute!

A qualified jury of international experts will select the Italian Chocolate Masters Champion 2011, who will represent Italy in the finals of the World Chocolate Masters in Paris (October 2011).

The Italian Chocolate Masters Championship will be preceded by exciting regional selections to be held throughout Italy starting in September 2010.
